

# ***QCCT Library Index***

The Quad City Clown Troupe has a good library of materials for members to check out. These items are available to current members in good standing. New materials will be added and as they are, this index will be updated and posted. If you wish to check out any of these items please send email to: [topperhtc@yahoo.com](mailto:topperhtc@yahoo.com). Brian will forward your request to the library custodians who will bring the item to the next troupe meeting. You will be able to check out and return the items during our meetings.
